**APPLICATION PROCEDURE**

- ✓ Enrollment applications may be downloaded on the link available on the home page of this website.
- ✓ Since no application fee is required, you may mail, e-mail, fax, or hand deliver your application to Trafton.
- ✓ Please be sure to note, at the bottom of the application, any additional records required and/or information pertaining to the application.

Applications are being accepted as indicated below:

2023 - 2024	Applications are being accepted at this time.
2024 - 2025	and prompt submission is encouraged.

Applications for subsequent school years are also accepted (and encouraged well in advance!) at any time for future waiting lists.

Applicants will remain on the appropriate waiting list, unless an opening is declined by the parent, for the entire school year of the grade for which applied and will be considered as openings arise during the school year. Applications are not forwarded from year to year and will be removed at the end of the school year for which applied. New applications may be submitted as needed.

As requested at the bottom of the application, the latest school records available (latest report card and latest standardized testing (if available), MUST accompany the application in order to be considered and/or placed on our waiting list. Applications submitted with no records attached will be placed on hold until the appropriate records have been received.

Please feel free to call Trafton (985-542-7212) at any time to check on the status of your child's application or class openings.
