Parents are requested to read and review this handbook carefully and to review with the student all sections pertinent to students. All information contained herein is intended as a guide. Further policies and procedures may be developed in cooperation with the teachers, parents, students, and administrator.

Philosophy

Trafton Academy exists for the general welfare of the child. Education is student-centered and each student is recognized as a unique individual with unique interests, needs, and abilities. Every effort is made to humanize and personalize the environment in which the student learns and to maintain a friendly, wholesome atmosphere that encourages creative expression and desire for knowledge.

The ultimate goal of the total instructional program is to meet the individual needs of each student in order to allow each child to develop his/her fullest potential. The school establishes an atmosphere in which students develop abilities to think originally and analytically, to draw logical conclusions, and to express these thoughts in written and spoken form.

It is a function of the school to develop the “whole” person by fostering aesthetic as well as academic growth through increased awareness of and appreciation for the arts. Also, by instilling in the student a knowledge and appreciation of his/her heritage as a member of the traditional American community, as an American citizen, and as a member of a family, the school strives to develop in each student awareness of his/her responsibility to himself/herself and to others.

Registration Fees, Tuition Payments, and Overdue Payments

Registration fees are due annually on February 1st. Registration fees will increase by \$50 for any payment received after February 1st. Tuition is due on the first of each month, May through April. **Both registration fees and tuition paid are non-refundable.** If the tuition payment is not received by the tenth of the month, an account will be assessed a late fee of \$25 and a statement of the account will be mailed. Any account which remains delinquent after the end of one month must be brought up to date in full along with the following month’s tuition payment by the 5th of the following month. If the full tuition is not received by the 5th of the following month, student(s) covered under the delinquent account will be denied admittance to the school beginning on the 6th of the month until the account is paid in full. Other overdue fees may be applied to a tuition account at any time, also causing the account to become delinquent.

- Example:
1. September 10 - September tuition not received
 2. Mid to Late September - Statement sent to parents requesting payment plus late fee.
 3. October 1 - If September tuition has not been paid, Sept/Oct tuition must be paid in full by Oct 5th.

Late/NSF Payment of Fees

A student's nine-week report card and/or records will be withheld for all fees not paid up to date. Fees include, but are not limited to, tuition, registration, classroom fees, resource fees, after school care, athletic fees, spring/fall pictures, and snack/lunch account. Overdue fees not paid within a reasonable amount of time (to be determined by administration) will be added to the student's tuition account and the late payment policy as described in "Registration Fees, Tuition Payments, and Overdue Payments" will apply. A return check charge of \$30 will be applied to any check returned to Trafton, regardless of the amount for which the check is written. Cash payments will be required should a bank return, for whatever reason, a second check written for the same Trafton account. At the beginning of each new school year, accounts previously placed on a cash-only basis will re-open to personal checks subject to this policy.

The school day begins at 8:00 a.m. and is considered tardy after 8:05 a.m.

Honor Rolls

Two Honor Rolls are published for each nine weeks grading period. They are:

1. Outstanding Honor Roll: The student must maintain all "A's" in core academic subjects during the marking period to attain this honor.

Fighting

Any hostile physical altercation on the school grounds or at a school related function is strictly forbidden. Students who violate this rule will be subject to in-school suspension or dismissal.

Electronic Devices/Cell Phones

Communication with your child is of utmost concern to us. However, the safety of your child is equally important to the faculty and staff of Trafton Academy. Because of our concern of what may be downloaded on these devices, we are prohibiting our students from using personal electronic devices, including but not limited to cell phones, at all times beginning with their arrival on our campus through their departure. This includes during after school care and athletic practices. Electronic devices/cell phones, being personal property, **must be kept turned off and in their backpack** or turned in to the homeroom teacher while on the school's campus. Communication with your child is available at all times through the school office. **Cell phones/electronic devices may be picked up each morning and returned at the end of the school day as deemed necessary by the classroom teacher and/or the administration.** If your child chooses to break this rule, his/her electronic device/cell phone will be confiscated and returned, upon request, to the student's parent/guardian.

7. No food brought by students will be heated.

Our Goal: Safe and Drug Free School and Communities

Trafton Academy recognizes that students and employees need to have a safe and drug free environment in which to learn and work. This need has been encouraged and supported in recent years with the passage of both federal and state legislation that provides for severe consequences to students and adults who choose to bring weapons, including but not limited to knives, guns, and controlled substances, to any school campus or site of a school sponsored event. Therefore, Trafton Academy is committed to enforcing statutes that have been established to help schools accomplish the goal of making all schools free of drugs, violence, and the unauthorized presence of firearms and all forms of drugs including alcohol and tobacco.

During the 1995 legislative session, the following procedures were established for administrators to follow when disciplining students who choose to bring weapons or drugs to a school or to a school sponsored event:

1. A student shall be expelled from school for a minimum period of **twelve calendar months** if, after a hearing, he/she is found guilty of being in possession of a firearm, knife, or other dangerous instrument, or possesses, distributes, sells, gives or loans any controlled dangerous substance in any form which is governed by the Uniform Controlled Dangerous Substances Law on school property or in actual possession at a school sponsored event. In addition, he/she shall be referred to the district attorney for appropriate action.
2. Any student, sixteen years of age or older found guilty of possession of, or knowledge of, and intentional distribution of, or possession with intent to distribute any illegal narcotic, drug or other controlled substance on school property or at a school sponsored event shall be expelled from school for a minimum of **twenty-four calendar months**.
3. Any student arrested for possession of, or intentional distribution of, or possession with intent to distribute any illegal narcotic, drug, or other controlled substance on school property shall be referred by the school principal or his designee, within five (5) days after such arrest, for testing or screening by a qualified medical professional for evidence of abuse of alcohol, illegal narcotics, drugs or other controlled dangerous substances. The parent or guardian of the arrested student shall make the decision regarding which medical professional to use.

Admissions Policy

1. Provided they have a current application on file, all students who are currently enrolled and whose tuition payments are current will be readmitted at the discretion of the administrator. An application for readmission must be completed by February 1 of the current school year.
2. Siblings of currently enrolled students will receive priority consideration to fill any vacancies. Should there be more than one sibling desirous of filling a vacancy, the length of time the family has been at Trafton, and the date of the application will be used in determining the order of acceptance.
3. All applications for the current school year will be removed from consideration at the end of the applied for school year. A new application must be on file for each new school year. Applications for the following school year will be accepted any time after the opening of the current school year. Example: An application for the current school year will be removed and discarded at the end of May. A new application may be submitted for the following school year after the first day of school in August of the current school year.
4. Vacancy determination is the responsibility of the administrator. The administrator shall consider such factors as follow:
 - (A). Developmental needs of the age/grade students

(B). Nature of existing class

5. All new applications will be dated as received. No vacancy determinations shall be made before closure of the re-enrollment period for current students. All other factors being equal, vacancies will be filled according to the date the application was received.
6. Once a vacancy has been declined, the application will be removed. If the applicant wishes to be reconsidered, a new application must be completed. The date for consideration will be from the date of the new application.
7. A student will be considered automatically withdrawn if the tuition payment for the month of May is not received by May 31st.
8. **Once paid, the registration fee and all tuition are non-refundable.**

Progress through the grades is a matter of achievement in the basic skills as well as age, maturation, social, and civic development. It is expected that the majority of students will be well-adjusted and will move through the adopted course of study at the rate of one grade per year. However, some students may experience difficulty in mastering the academic phases of the school program and will profit more academically if retained one grade. Consultation with parents will be arranged in sufficient time in each case. The final decision regarding a student's promotion and/or class placement within a grade rests with the school. In order for a student to pass, the student must earn at least 70% (D) average for the yearly final average grade.

Additionally, the following guidelines will be used with the student's final average to grant passage from one grade to another.

Promotion from:

- I. Pre-Kindergarten and Kindergarten
 - a. Will be determined by student progression
- II. Grades First through Fourth
 - a. A student cannot be promoted if he/she fails Reading and Mathematics.
 - b. A student cannot be promoted if he/she fails English and a minor subject.
- III. Grades Fifth through Eighth
 - a. In order to pass, a student cannot fail two of the following major subjects: Reading, Math, or English.
 - b. A student may fail Science and Spelling OR Social Studies and Spelling and pass.
 - c. If a student fails both Science and Social Studies, he/she may not pass to the next grade.

Disciplinary Plan

The Disciplinary Plan is established for students who violate rules. Most disciplinary problems will be resolved by the classroom teacher and will not be referred to the principal. Most, but not all, infractions will result in warnings and will have no other consequence. However, an accumulation of infractions, behavior notices, and/or dress code violations may result in detention, in-school suspension, or home suspension.

Trafton Academy does not administer corporal punishment. If a child is unruly and commits major infractions, parents will be called, and the student will be sent home.

The following steps provide an outline for students, teachers, parents, and administration to follow to assure that an effective learning environment will be available to all students.

Disciplinary Step 1 Concerning Inappropriate Behavior

- The classroom and school discipline policy will be reviewed with the student.
- A written notice concerning inappropriate behavior, if deemed necessary by the teacher, will be sent home to be signed by the parent and returned to the school the next day.

Disciplinary Step 2 Concerning Inappropriate Behavior

- A written notice concerning inappropriate behavior will be sent home to be signed by the parent and returned to the school the next day.
- The classroom teacher will designate the consequences for inappropriate behavior, i.e., loss of recess and/or loss of resources.

Disciplinary Step 3 Concerning inappropriate Behavior

- A written notice concerning inappropriate behavior will be sent home to be signed by the parent and returned to the school the next day.
- Parent conference (optional)
- Loss of resources and recesses for one day
- In-school suspension with class work

Disciplinary Step 4+ Concerning Inappropriate Behavior

- Student will contact parent/guardian by telephone □ After school detention for one hour (in the office)
- Parent(s) must accompany the student back to school for a conference with the principal.

If a child is continually disruptive, interferes with the learning environment, or is disrespectful to the teacher, he/she will be removed from the classroom and will receive instruction in the office. Parents will be notified; teachers and administration will determine the appropriate action for the child, the class, and the school. Continued placement of the child will be dependent upon the resolution of inappropriate behavior.

Corporal Punishment Policy

Trafton Academy does not administer corporal punishment. If a child is unruly and commits major infractions, his/her parents will be called, and the student will be sent home.

Technology Acceptable Use Policy

Technology provides students with access to people and material from all over the world. We believe that information and interaction promotes educational excellence. The Internet does include some material that is not appropriate for students. Efforts are taken to protect students from inappropriate materials, but it is impossible to completely protect students from material that is not consistent with school goals. Students will use the Internet within an educational activity, such as performing research, developing projects, and disseminating information.

The following rules will maximize the educational opportunities available to your child, while minimizing the risk of inappropriate use. The use of the Internet is a privilege, not a right. Sportsmanship Code

Sportsmanship and team concept are essential to a successful athletic program. These elements will be stressed for all sports and sports-related activities. It is true that we want to win, and we enjoy victory. Our top priorities, however, are the development of skills, self-esteem, respect for others, honesty, and ethical behavior. Good sportsmanlike behavior is not only expected of our players but also of our coaches, referees, parents, and fans. Coaches and players are expected to exhibit positive attitudes within their teams and toward their opponents. All participants should keep in mind that they are Trafton Eagles on and off the field of play.
